resent actual value of the land may be parted in the same manner. The party dering lands must state in his proposition the lowest figures he will take, he Company will not give scortistant prices, he tilles must be unencumbered by Judgments, inorthages, deeds of trust, tax 1148, or therwise. This may be shown by official entitletes of judges, clerks, shoring, or the piplions of respectable attorneys. Data is better to be the best opportunity to dispose of urpins lands in the South and West that has so been or can be offered.
